

Explore Japan on bicycle

Do you would like to see **Japan** from saddle of bicycle? Our trip will take you from center of **Japanese Alps** and we will finish on coast of **Pacific Ocean**. We start in area of winter and summer activities, **Hakuba** valley. Our next stop will be historic town **Matsumoto** with one of the last original **Japanese** castles. From **Matsumoto** we will continue our journey thought mountainous terrain surrounded by **Suwa Lake**. **Kofu** our next stop, its valley town with many beautiful vineyards. From **Kofu** it's just „few,, kilometers to reach sacred **Mt. Fuji**. Our journey will going next to this mountain with many lakes and terrain wrinkled by lava.

Next days will lead us next to coast of **Pacific Ocean**. We will descend from **Mt. Fuji** plateau and slowly reaching our trip final destination **Izu** peninsula. This peninsula is well known for white sand beaches and hot springs with mountainous terrain. Our trip finishing in city **Shimoda**, which is local touristic center of area. Daily we will cycle for 50-80 km depends on route which you would like to take.

Trip itinerary

1. Day: Flying into Tokyo

After landing in **Japan**, transfer by private taxi or our private shuttle to **Hakuba**. Depends on timing, dinner in traditional **Japanese** restaurant with introduction of our trip.

2. Day: Hakuba - Matsumoto

We start our journey with easy first stage from **Hakuba** to **Matsumoto**. Road is surrounded with stunning views on **Japanese Alps**, which reflect like in mirror from lakes around road. On this stage is possible stop on wasabi farm and explore historical **Matsumoto castle**.

3. Day: Matsumoto - Hokuto

Main attraction for this day is cycling around **Suwa Lake**, which is one of biggest in **Japanese Alps**. We also pass **Shiojiri city**. **Shioriji** have rich history of wine making and it will be our first stop with wine theme. We will have a chance also see countless number **Japanese** castles and shrines.

4. Day: Hokuto - Kofu

Our next stage of cycling will lead us to the capital city of **Yamanashi** prefecture, **Kofu**. City is significant wine area of **Japan** and this will be our second encounter with wine theme on our trip. It's also possible stop on the way at natural national monument **Shosenkyo** gorge.

5. Day: Kofu -

Our most difficult day of cycling. We can expect ascension to the 1000 meters. We will observe **Mt. Fuji** for next couple days. We can stop next to one of five beautiful lakes on **Mt. Fuji** plateau. Road is surrounded countless lookouts on this majestic mountain. We finish in **Gotenba** city.

6. Day: Gotenba - Ito

From **Gotenba city**, which is well known for hot springs and nice view on **Mt. Fuji**, we start descending down towards to **Ito town**, its gate into **Izu peninsula**. Main highlight of this day is cycling around coast with lovely view on **Mt. Fuji**.

7. Day: Ito - Shimoda

Today we will have many options how to reach our final destination, **Shimoda city**. We can cycle next to coast or we can try more mountainous terrain through center of peninsula. Our last accommodation is right next to beach with magnificent view.

8. Day: Departure back to Tokyo

Transport to the train station, board **Shinkansen** back to **Tokyo** and flying back to your home. You can also explore more from this unique city or another parts of **Japan**. Choice is yours.
