

Hiking in center of Japanese Northern Alps

Japanese Alps are main mountain area in **Honshu Island**. **Japow** is specializing on tailored holiday in **Japan** which are filled with exploring Japanese culture and sports activities. We got long experience in area and we trying show you the best from it. This trip is focused on hiking and city seeing.

Japanese Alps are famous for their massive peaks with mountain huts situated right below them. Part of this trip is very popular hiking trail **Ginza Road**. If we will be lucky, we will get chance spot some of typical mountain animals such as monkeys, mountain goats or bears.

One of the highlights is rich flora which will following most parts of hiking trails.

We trying satisfied our customer wishes, so don't hesitated contact us for any type of holiday in Japan. We can create your unique experience in Japan. Depends on your time we are able offer longer or shorter versions of our trips.

Trip itinerary

1. Day: Flying into Tokyo

Transport from **Tokyo** to **Hakuba**, where the **Winter Olympic Games** were held in **1998**. We using private taxi company or doing pick up service with our own cars.

2. Day: Hiking on Mt.Karamatsu

Mt. Karamatsu is one of the easier hiking trails in **Hakuba**. We will do this one like our warm up day on mountains. To make it easier we will use gondola to get at middle range of mountains. Trail is situated on ridge from which is beautiful view. During hiking we have chance stop next to **Happo** pond. This natural mirror is famous for taking pictures of surrounding peaks.

3. Day: Crossing mountains from Shiromadake to Tsugaïke

This trail is one of the most famous in **Hakuba** valley area. First day we will hike almost into 3000m.n.m. Hiking is partly on local glacier with many mountains flowers surrounded. Our day we will finish almost under **Shiromadake** peak in typical **Japanese** mountain hut. Right from the top stunning view on mountains around, especially with sunset or sunrise conditions. In good visibility is possible see **Sea of Japan**. Second day we starting descending down towards to **Tsugaïke** ski field area. On our way we will pass mountain lake, national park of **Tsugaïke** and rocks sculpture all around place. This section will take 2 days.

5. Day: Resting day in Matsumoto or Togakushi area

Matsumoto is city with traditional Japanese castle, one of last four original one, preserved in whole **Japan**. Possibilities for shopping, eating traditional food or visiting local hot spring areas. **Togakushi** on other hand, is quiet village area, with very famous shrine, secretly nested in middle of mountains. Very famous for eating soba noodles, ninja academy and beautiful nature away from civilization

6. Day: Hiking in Kamikochi area

Kamikochi is very popular destination for hiking in **Japanese Alps**. Crossing of **Ginza Road** is beautiful hike surrounded by even more famous peak in area.

Depends on weather ascent the highest peak **Mt. Yarigadake** which is over 3000 elevation meters high. In this area are

plenty of hiking trails and mountain huts to choose from depends on the weather and endurance of members of hiking team. We will spend 3 days exploring this area.

9. Day: Going back to Tokyo

Transport back to the **Tokyo** and flying back to your home. You can also explore more from this unique city or another parts of Japan. Choice is yours.
